**Dan Castro**

Bloomberg's BUSINESS WEEK calls Dan Castro a "serial entrepreneur." In fact, Dan Castro is an award-winning author, an attorney and serial entrepreneur who has built a law firm, a real estate company, a mortgage company, a property management company, and a training camp that teaches people how to trade options. Dan spent five years researching the lives of legendary entrepreneurs to understand how they think, why they can spot opportunities that are invisible to others, how they assess risk, how they consistently generate innovative ideas, and how they overcome obstacles.
Kurt Carlton

Former host of CBS radio show "Creating Cash Flow". Now Kurt is back to full time real estate investing having purchased 732 properties in 2012 and on track to break 1,000 later this year. In addition to acquiring properties he is also a seasoned hard money lender, named the "Giant of Investor Lending" by HousingWire Magazine after funding 311 private real estate loans in 2012 with only one foreclosure. He is an unparalleled expert on real estate acquisition, finance, and management.

CEO of Quest IRA, Nathan Long, will be speaking about "Unlocking Your IRA" into passive Real Estate investments. We will be joined by Kyle Brown from JWB Real Estate Capital.

JWB Real Estate Capital is a privately-owned real estate investment company focused on building portfolios of cash-flowing rental properties for their clients. With over 500 rental properties under management and clients in 32 states and 10 countries, they have garnered multiple awards over the past several years.

A few notable awards are:
- Ranked by Inc 500 as #12 fastest growing Real Estate Company in the Country
- Ranked #12 fastest growing company in Northeast Florida (3rd Consecutive Year)
- 2012: #8 Best places to work in Northeast Florida
This is a great Webinar for those of you interested in investing your IRA passively into Real Estate.
